***** NO REHEARSAL MAY 28 *****

Welcome to the *Ye Olde Towne Band* and the 2026 concert season. Please refer to the above schedule for this year's events. **Rehearsals will be held in the Garden House at Shoup Park in Los Altos.** Please be in place and ready to play by 7:30pm SHARP. Bring a music stand for all rehearsals and concerts, except when playing on the parade float. **The downbeat for Sunday concerts in Shoup Park is 1:30PM.** Concert dress is black slacks and the *YOTB* white logo shirt or a plain white shirt. Hats may be worn, and it is necessary to have a method of securing music to the stand in case of wind. Help is always needed and greatly appreciated to set up chairs and or risers before concerts and rehearsals. Any schedule change and information specific to any concert will be announced ahead at rehearsal. **The Maestro is asking that each Section Leader take responsibility in keeping the chairs filled to cover the parts in their section for both rehearsals and concerts.** New members are always welcome and encouraged to join by attending a rehearsal. There are no scheduled Parade Band rehearsals this year. Warm up playing before the parade on the float will suffice for rehearsal. A good set of "chops" is what will make the difference.
